Reminder: As of October 19, 2026, the Interstate Shellfish Shippers application is available through FDA Industry Systems (FIS)

As of October 19, 2026, the Interstate Shellfish Shippers application is available on the FDA Industry Systems webpage. **All future web-based Interstate Shellfish Shippers submissions must be made through FDA Industry Systems (FIS).**

How does this affect me?

As an Interstate Shellfish Shippers user, you must now use FIS to submit all future Interstate Shellfish Shippers web-based submissions for your organization.

If you have already logged into the FIS and using Interstate Shellfish Shippers application for web-based submissions for your organization, NO ACTION is required.

Post-Migration Next Steps

To begin submitting an Interstate Shellfish Shippers for your organization, complete the steps below and verify that your account and migrated information are accessible in FIS.

Active Users: If you were an active user as of October 16, 2026, your Interstate Shellfish Shippers account is now active in FIS.

1. Log in to FIS using the credentials you received by email. Please check email you received on October 18 or 19, 2026 regarding the account migration.
2. Update your account information and change your password when prompted.
3. Review the Interstate Shellfish Shippers User Manual for instructions on submitting an Interstate Shellfish Shippers through FIS.

For more information about FIS account management**,** click here.

Questions?

For questions about the FIS application, account management and Interstate Shellfish Shippers application, please contact Technical Help and mention the Interstate Shellfish Shippers application.

Phone: **1-800-216-7331** or **240-247-8804** (9:00 a.m. to 6:00 p.m. Eastern Time)
Email: FURLS@fda.hhs.gov

Thank you for your patience during the transition!
